Price	\$19.95	\$29.95	\$15.00	\$19.95	\$15.00	\$19.00	***	\$19.95	\$9.95	\$15.00	\$15.00	\$19.95	\$19.95	\$14.90

* - This program doesn't do shortcuts, but it does let you launch programs from within itself for the same purpose.

** - Features shared by all are not listed (e.g. memory statistics).

*** - No longer available.
